ERIN LARKIN, ROBERT PARKER WINE ADVOCATE

“The 2024 Pinot Noir leads with cherry, star anise, hints of licorice and shaved fennel. It's a beauty. It's structured by savory tannins and extended nicely through the finish. There's some ripeness here, which emerges through the finish, but on balance, this is so fresh and detailed. It's a really pretty wine. 13.5% alcohol, sealed under screw cap. 2026 - 2034.” (Mar, 2026)

AARON BRASHER, THE REAL REVIEW

“Bright cherry red and lively in appearance. Exotic aromas of wild strawberry, cherry, Asian spice, clove, briar and a touch of bunched funkiness. Textured, mouth-filling and with lovely drive and purity of red and blue fruits, spice and a brambly earthiness. The tannins are shapely and the length is impressive.” (Nov, 2025)
